Safety and efficiency; All4Trucks offers more!

Various elements that contribute to the safety and comfort of truck drivers, HGV's and cargo at All4Trucks in Calais are unfortunately not dealt with in certification and surveys today. All4Trucks is convinced that permanent security control by foot is necessary in addition to manned CCTV systems. A lay-out that allows for a clear overview over parked vehicles and fences as well as the fact that HGV's do not need to manoeuvre and that no other vehicles are on the premises then HGV's are all elements that increase safety and security: All4Trucks offers more!
